

As every year APPLICATIO supported UB-United again in 2020. UB-United (Ulaanbaatar-United) is a football club in Ulaanbaatar, the capital city of Mongolia, which is particularly committed to disabled and disadvantaged young people. In addition to sports, life support, and fun as well as integration are the top priorities. With the support of APPLICATIO, many disadvantaged young people and especially disabled athletes in Mongolia could be helped again this year.
