

Full Quality - TQM with a proven model

The path to sustainable business success!

Your Needs = Our Challenge

How to secure the long-term success in a constantly changing environment? How can we improve continuously with system? More than 30,000 organisations use the EFQM model as a basis for increasing the effectiveness and efficiency and permanent excellence. In this way you secure permanent success and your future.

Our Experience = Your Advantage

APPLICATIO itself believes in the principle of excellence. Not only in its own company but also in the context of working with partners around the world, the overall quality is promoted. The expertise includes consulting, facilitation and training for SMEs and large companies as well as organisations of public administration.

Our Service = Your Key to Success

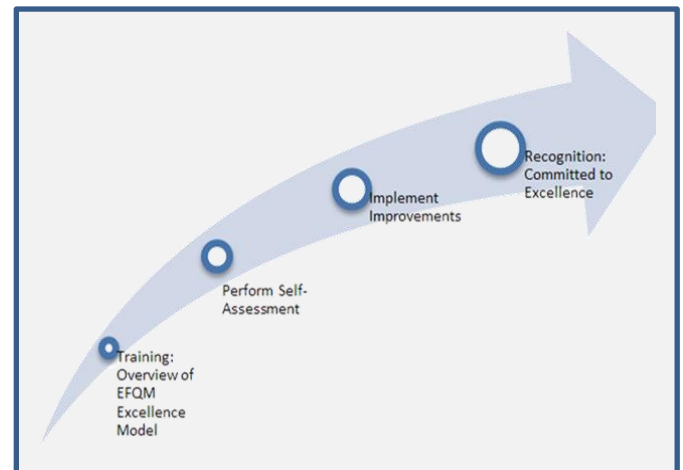

APPLICATIO works with its own employees and associated experts to help clients on their road to excellence. Together with the EFQM licensed consultants and trainers APPLICATIO offers a full range of support to the EFQM model and the way to excellence.

On the state level, the main structures for the promotion of excellence

with EFQM are supported. Interested companies will learn the way to excellence with EFQM by participating in the following trainings:

- EFQM Journey to Excellence
- EFQM Leaders for Excellence
- EFQM Internal Assessor Training
- EFQM Validator Training

APPLICATIO offers a qualified escort all the way to excellence!

This offer/service represents an example. All services of APPLICATIO are generally tailor-made based on the individual needs of the clients.
